

'Patchway Plays'

A strategy for all play areas in Patchway

Adopted 2019

Ammended – June 2020

Patchway Town Council

Callicroft House, Rodway Road, Patchway, South Glos, BS34 5DQ

T: 01454 868530

E: Office@patchwaytowncouncil.gov.uk

www.patchwaytowncouncil.gov.uk

This plan will be reviewed monthly to monitor progress.

A strategy on how to improve all play areas within Patchway for the benefit of everyone in the community. This strategy will give a detailed plan of all play area's in Patchway and proposals for what we can do to make Patchway an even better place to play in.

This document should be read with the Annual Play Inspection of 2019 and the action plan created which is constantly being addressed by the Patchway Town Council Groundstaff.

Compiled by Jack Turner
Deputy Town Clerk and Responsible Finance Officer

16/06/2020

‘Patchway Plays’ – An Overview

‘Patchway Plays’ has been developed with a view in mind for the future of Patchway. Patchway is an ever-growing town especially with the new developments in Charlton Hayes rapidly growing. Patchway is very lucky to have several parks and open spaces which are included in this strategy. It has been formulated from the Town Council’s annual play area inspection and will focus on a phased approach to looking after what we own and any new pieces of equipment.

The idea behind this strategy is to feed into Patchway Town Council’s business plan and help them prepare for future years with regards to their parks and open spaces. There is a huge variety of equipment all around Patchway however some parks have been left into a state of almost disrepair whilst some parks get all the new items. This strategy is to ensure that all our parks, no matter where in Patchway are, all get reviewed and equipment updated if necessary, to ensure that Patchway has a good standard and variety of play equipment for future generations. The lack of ability play equipment shows how far Patchway is when compared with neighbouring towns.

As an active Town Council, we should be seeking to encourage children from a young age to get active and be out playing in a safe and secure environment. Childhood obesity is on the rise in the UK and we should be taking steps to ensure that our future generations in Patchway can continue to be active, in all play areas in our town.

Play Area’s in Patchway

- Arlingham Way** – A new pocket park with good equipment. One basketball hoop. Small trim trail.
- Bevington Close** – A small play area with basic equipment and a field with goal posts. Hardcourt with 2 basketball hoops.
- Blakeney Road** – A small play area with old equipment and a large field. 1 basketball hoop.
- Callicroft Road** – A green space with small play equipment and intended picnic area, adjacent to HMC garage.
- Gorse Covert** – A medium play area with basic equipment and trim trail. Large playing field with a zip wire, gym equipment.
- Scott Park** – A large play area with good equipment. DDA approved equipment. Sensory garden.

Arlingham Way Pocket Park

The plans for the Arlingham Way Pocket Park begun in autumn 2015. Based on complaints received by Patchway Town Council about the use of the space a consultation with Patchway Conservation Group took place to understand what residents would like to see the space being used for. Residents were clear that they didn't want cars driving over the grass anymore as it was causing it to be muddy, and that there was a serious problem with litter, dog fouling and dumping waste. Many of the children wanted to still have a place to play football and were keen to have basketball net of the concrete area. Lots of the parents were interested in ways their children could learn about food growing and nature-based activities here as well. Older residents raised the issue that previously when there had been a park there it had been vandalised by young people and were worried that making too many changes would cause young people to cause trouble here again. With all of this in mind a design was put together that most people were happy with and the application to the pocket parks was made.

Since the receipt of the funding play equipment has gone in, a goal post has been painted, bins and a bench have been purchased and a notice board. We also have a bird table and three beautiful raised beds.

Patchway Town Council have agreed with South Glos Council to take over general maintenance of the area that is now The Walls pocket Park under a new lease. This will involve mowing the grass and emptying the bins.

The park has also been included in a new successful bid as part of Postcode Lottery funding for a Community Handover Scheme to be run empowering residents to feel confident to look after the rest of the space. They already have a rota for keeping the bird feeder full and watering the plants, and a meeting has been arranged as part of the handover scheme to discuss the possibility of becoming a friend's group, or an additional part of the Conservation Group.

| ARLINGHAM WAY (POCKET PARK) |
|------------------------------------|
| Rope Bridge |
| Balance Beams |
| Swings 1 Cradle and 1 Flat |
| Spring Animals |
| Bench |
| Bin |
| Flower Beds |
| Goalposts |

The equipment at the pocket park is in very good condition and offers a lot of variety. There is a large hardcourt area with a modern basketball hoop. There is one flat swing and one cradle swing on a patch of grass, offering use for both younger and older children. The trim trail is in good condition as are the spring animals. The residents look after the area as well as our groundsman, both keeping it look nice and fresh.

| Asset Name | Task | Resolve By | By Who | Complete |

| Signage | Tighten loose fixtures | 14/04/2020 | PTC Groundstaff | 15/01/2020 |
| Site | Remove Moss | 14/04/2020 | PTC Groundstaff | |
| Site | Remove Weeds | 14/04/2020 | PTC Groundstaff | |
| Wall | Repair broken wall | 14/04/2020 | PTC Groundstaff | 16/01/2020 |

Bevington Close Play Area

The Bevington Close play area is a small park situated on Bevington Walk and is adjacent to the motorway. This park has a small grass area as well as a basketball hardcourt and an enclosed small play park. Below is the equipment which this park has.

| BEVINGTON CLOSE |
|------------------------|
| Tower Slide |
| Swings x 2 Flat Swings |
| Spring Animals x 2 |
| Slide |
| Seesaw |
| Wooden Bench |
| Basketball Hoop |
| Practice Goals x 2 |
| Litter Bins x 2 |
| Rubber Surfacing |

The equipment at the park is in a fairly good condition with the choice of two slides and two flat swings. The slides are in good condition and maintained well. The swings are good however they need to be painted due to rust coming through the bars. The two goalposts on the grass are in good condition and make good use of the space. The basketball area is large, and both nets are in tack, perhaps some hardcourt markings would make for a more exciting use of this equipment. The below section are recommendations from the Annual Play Inspection.

| Asset Name | Task | Resolve By | By Who | Complete |
|------------------|-------------------------------|------------|-----------------|------------|
| Rocker Motorbike | Replace hand hold | 14/11/2019 | PTC Groundstaff | 02/12/2019 |

| Swing Set | Tighten loose seat bolts | 14/01/2020 | PTC Groundstaff | 06/02/2020 |
| Seesaw | Trim off excess threads | 14/01/2020 | PTC Groundstaff | 06/02/2020 |
| Seesaw | Repair surface edges | 14/01/2020 | | |
| Seesaw | Remove moss and weeds | 14/01/2020 | PTC Groundstaff | |

Blakeney Road Play Area

The Blakeney Road play area is a small park situated by the parade shopping area. It has a relatively new slide and play fort with wood chipping. The spinning discs are old and unsafe due to their age however can still be used carefully. The seesaw will need replacing as well. There is a large playing field with a basketball hoop.

| BLAKENEY ROAD |
|------------------------|
| Tower Slide |
| Spring Discs x 2 |
| Wooden Bench x 1 |
| Metal Bench x 2 |
| Spring Animal |
| Basketball Hoop |
| Rubber Surfacing |
| Litter Bin x 1 |
| Swings x 2 Flat Swings |
| Stepping Stones x 3 |
| Wood Chip |
| Seesaw |

The equipment at the park is well maintained however some of the equipment could be replaced with more modern equipment. Better use of the grass area should be encouraged as this is a vast space with next to nothing going on.

The below section is recommendations from the Annual Play Inspection.

| Asset Name | Task | Resolve By | By Who | Complete |
|-------------------|-------------------------------|------------|-----------------|------------|
| Seesaw Seats | Replace both seats | ASAP | | |

| Toddler Multiplay | Remove item | 14/04/2020 | PTC Groundstaff | |
| Toddler Multiplay | Replace damaged wood | 14/04/2020 | | 20/12/2019 |

Callicroft Road Play Area

The Callicroft Road play area was installed when the old Patchway Library site was demolished, losing the existing play equipment. The equipment there is modern and fresh and tasteful in keeping with the area. Due to it being very close to a road, it is advisable not to overload with equipment.

| CALLCROFT ROAD |
|-----------------|
| Spring Animals |
| Bin |
| Bench |
| Mushrooms x 2 |
| Stepping Stones |

In early 2018, Patchway Town Council's ground staff installed new stepping stones and a bench in this area, thus improving the equipment on offer.

The below section are recommendations from the Annual Play Inspection.

| Asset Name | Task | Resolve By | By Who | Complete |
|------------|--------------------------|------------|-----------------|-------------|

| Rocker Cat | Replace missing caps | 13/10/2020 | PTC Groundstaff | Not Missing |

Gorse Covert Play Area

Gorse Covert Play area is a large area with a good range of equipment. It is used by a variety of people and is the play area on the walk to Asda and the Mall. It is good for families but does attract a lot of teenagers in the summer months. Most of the play equipment is in a fair condition, however vandalism is high in this park due to the covert's location.

| GORSE COVERT |
|-------------------------------|
| Swings x 1Flat Swing 1 Cradle |

Scott Park Play Area

Scott Park is the largest play area in Patchway, and it is home to several sports pitches, a pavilion and Patchway sports and social club. There are very advanced plans for upgraded facilities such as a Multi-Use-Games-Area, state of the art cricket nets and a brand new pavilion with community space inside. It is the largest play area in Patchway and is very well used, especially in the summer months by children of all ages.

Summary of the 'Patchway Plays' strategy

Based on Gordon Play Inspections LTD report for the Annual Play Inspection 2019, the findings have been recorded into this easy to read report. The Ground Staff have made good progress in the maintenance of the work but there is still a vast amount to do and Gordon Playground Inspections will be coming out later in 2020 to assess the equipment again. The focus of this plan still has to be the maintenance of equipment as of June 2020 but hopefully this strategy will help inform the 3 year budget setting process.
