

PATCHWAY PEOPLE

PATCHWAY FESTIVAL 2019: A Great Success!

Patchway Festival 2019 has now come to an end after an amazing fortnight of great events that saw more people than ever get involved with the theme of Unity. The Festival fortnight kicked off on Saturday 20th July with a HUGE community fun day in Scott Park. There was live music all day, a large funfair, a vast amount of food and refreshments and an amazing amount of local stall holders selling local items and produce. We have raised a huge amount of money this year thanks' to our residents attending events and donating towards our raffle. On the Sunday, we held our first ever food fair where people from our local community cooked and displayed different food items for residents to enjoy free of charge. The first week brought two amazing tribute acts to Patchway with Absolutely Elton being attended well with over 60 people in Brooks Café and 130 people enjoyed our Twerzel trib-

ute band with The RiffToads. The dog show on the Tumps was great fun for everyone involved and helped to raise a substantial amount for Bristol Animal Rescue Centre. The second week brought John Lawson's circus to town with

residents flocking to see this amazing show. Also, we had the Memory Café sponsored walk, there's more about that on page 7 as well as a musical workshop at Coniston Community Centre. The Flower and Garden show this year was very well attended with Patchway coming out in force in all categories. The winners can be

found on pages 22 & 23 . There is also a special TWO PAGE souvenir pull out with lot's of photos from the Festival fortnight from each event. If you have any ideas for next year please send them to Patchway.Festival@hotmail.com. Thank you for your support and we hope to see you next year.

DIWALI FESTIVAL 2019

Patchway Festival, Avon Indian Association and Southern Brooks Community Partnerships are excited to announce that we will be bringing the Diwali celebration back to Patchway this year. "The celebration last year was such a success and it was so great to see so many people get involved that

we can't wait to do it again" said Caroline Browne, Southern Brooks Community Cohesion Manager. This year we will be repeating the lantern parade and again will be offering workshops to children in local schools who will be given the opportunity to learn about Diwali and make lanterns for the parade. On top of this we are also offering Bollywood dancing workshops this year which will give children the chance to get up and perform their new dance moves on stage at the celebration day. We can also offer lantern making workshop and dance sessions to local community groups so if you are

part of a group that might be interested then get in touch with Southern Brooks Community Partnership on 01454 86 85 70 . The celebration event this year will fall in October – the final date and venue are still to be announced so if you want to take part this year make sure that you keep your eyes peeled for more information coming from Patchway Festival and Southern Brooks. There will be food, dancing, arts and crafts, Henna and a chance to celebrate with everyone who live in Patchway and Charlton Hayes.

What is Alcohol Costing Me?

	Cost per day	1 week	1month	1 year	5 years
1 bottle of Wine	£6	£42	£180	£2190	£10,950
4 x Can of lager	£4.50	£31.50	£13.50	£1642.5	£8212.5
1 bottle of vodka	£12	£84	£360	£4380	£21,900

You may want to consider some of this information when thinking about your drinking. Current advice is to keep your alcohol consumption down to 14 units a week and try and have two clear days without alcohol every week. This is the same for men and women. A pint of lager is 3 units and a medium glass of wine is 2.3.

If you struggle to reduce your drinking and would like some advice and support you can contact South Glos Drug and Alcohol Service (DHI) on 01454 8687

PATCHWAY TOWN COUNCIL WILL ALSO HOLD A BEAT SURGERY FURTHER DETAILS WILL BE POSTED ON WWW.PATCHWAYTOWNCOUNCIL.GOV.UK

We are seeing an increase to the use of cannabis and other drugs related issues in the area. That isn't to say this problem doesn't exist in other areas and really is a nationwide problem. The use Nitrous Oxide capsules is also prevalent in the public spaces around our community. These will undoubtedly lead to an increase in crime and ASB if we don't work together to try and reduce the use and supply of illegal substances. So my plea to the people of Patchway is to report suspicious activity and drug use where you see it, we need your eyes and ears to help us. Please call **101** or talk to your Neighbourhood officers when you see them and they will record your information and record it on our systems. This will help us coordinate our activities in combating this problem and bring offenders to justice.

MOTORBIKE AND MOPED ISSUES IN PATCHWAY

We have been monitoring this from a distance and discussing the matter with A&S Police in an effort to put a stop to this specific nuisance as it will have a knock on effect on other ASB! Can we ask that any and every case of ASB is reported in to the police no matter how small. If you're not to comfortable chatting directly with the police then feel free to message us and we will pass the information on. Of course if it's an emergency then default straight to 999 and get things moving! The way to prevent this continuing is intelligence led policing which the police can act on, so the more that comes in, the better they can place resources to have better effect. Feel free to contact us anytime. BBTA team www.bristolbikettheftawareness.uk

CONCORDE TO CONCERTS

From Concorde to Concerts embark upon a journey to uncover the exceptional story of the former Filton Airfield, traversing its past, present and future. Board a coach trip around 380-acres of aviation history. As the birthplace of Concorde and supersonic travel, few places on earth can match Filton as a centre for ingenuity and innovation.

This is a rare chance to access the site and explore plans to transform this historic local landmark into Brabazon, a thriving new neighbourhood that incorporates and celebrates its unique history. Look inside the cavernous 352 metre-wide Brabazon hangars, and learn about plans for it to become a supersonic new Arena for Bristol.

Tour Duration: Approx. 90 minutes

Adult: £5 | Child: £2

Booking essential. Tour starts from YTL Site Operations .**Friday Sept 13—Sunday 15th Sept**

The Precious Time Consortium is a community of six local social groups for people 50 or over. Precious Time supports the local groups whilst fund raising and applying for grants for them. So far we have raised £600.00 for equipment and promotional material for the groups.

We are a small committee and would welcome anyone who would like to join us supporting local Patchway Community groups. Contact Sue on **07580 436 273**. Feel free to visit any of the groups you feel may be of interest to you or you would like to join. If you have some precious time to volunteer at one of the groups contact numbers for each group are listed below them come along and visit us no obligation.

Nearly everything you want to do nowadays involves switching on the computer and filling in an online form; it can be so frustrating when you first try. You normally ask your 5 year old grand-daughter but she has just started school so "Who do you call?". That's where **Patchway Silver Surfers** come in, part of the Precious Time Collective - Unfortunately, we cannot help you with the self-scanning tills at Asda but we do provide a safe and friendly environment where you can learn new computing skills or improve your existing skills. As an added bonus you will get to meet new (or old) friends. Our volunteers have all been DBS checked and have a wide range of expertise and can usually help with most things you might want to do on a phone, tablet or computer - Typical topics that we regularly find are getting to grips with a new tablet, wanting to learn how to use internet and emails safely, trying to make sense of

all the added functions on your new phone or using Facebook/Skype to keep in touch with grandkids in Australia. We also get group members who come with a particular problem with their computer or tablet that is really bugging them - We try our best and offer 1-to-1 support on those occasions. Most group members will bring along their own computer but if you don't have anything then don't worry as we do have group laptops and tablets for you to use - Access to our wi-fi is free and speedy. The group runs on a voluntary basis. There is no membership fee and you don't have to book, just turn up. Advice/support is free but we do ask for a small donation for tea/coffee/biscuits. Every Friday 10am until 12 noon at the Casson Centre, Rodway Road, Patchway. If you have any spare time, we are always looking for volunteers to help provide support to our group -You don't have to be an "expert". Group contact **John Cahill 07986 053 005**

Patchway Musical Memories' was formed a couple of years ago under the 'Precious Time Collective' by Anne & James Morris after their experience of seeing the positive and profound affect musical stimulation has had on Mary and others living with Dementia whilst caring for James's grandmother (Mary) who was diagnosed with Dementia in early 2014. The group is run on a voluntary basis and is supported by Patchway Sports & Social Club, St Chad's Church and Patchway Minibus. Our volunteers are Dementia aware/friends and hold enhanced DBS disclosures for working with vulnerable adults. Our aim is to ensure we prevent social isolation in the local community through a secure, friendly and supportive environment during our sessions for both people living with Dementia and their Carer's. We meet one Sunday afternoon per month, normally at St Chad's Church Hall be-

tween 12.00 - 15.30 dependent upon whether the session is combined with our Pastoral Care Sunday Luncheons (which occur every second month beforehand) or light refreshments are provided along with tea/coffee/soft drinks on the alternate months. There is no attendance fee or cost, we just ask for a £5 donation towards the cost of the Pastoral Care Sunday Luncheons (which normally comprises of a traditional Sunday Roast and a range of desserts) on those sessions if you wish to join us, otherwise the light refreshments and bingo are free! A nominal £1 is charged for the raffle. Each month, guest presenters and entertainers support us in providing live music and a song along together with visual/audible reminiscence activities which James & Barry Williams have developed over the recent months to stimulate memories and key moments from the user's lifetime etc, plus bingo and a raffle. The group is always looking to expand its provision, both in terms of volunteers and anyone

with a musical gift who could support us would be much appreciated. Group Lead Contacts: **James Morris 07976627313 Anne Morris - 07813 184079**

Forthcoming Sessions:-

Sunday 15th September - St Chad's Church Hall - 12.15 - 15.00 (Light Refreshments)

Sunday 20th October - St Chad's Church Hall - 12.00 - 16.00 (Combined event with our Pastoral Care Luncheon)

Sunday 17th November - St Chad's Church Hall - 12.15 - 15.00 (Light Refreshments)

Patchway Memory Café held its yearly sponsored walk on the

28th July in Scott Park as part of the Patchway Festival date we have raised £1860 we still have more money to collect so final total will be in the next edition of Patchway People. The Memory Café does not receive funding so fund raising events are really important to keep this much needed service going. Thank you to all the walkers for taking the time to come along and support us and raise money for such an important service to James, Barry and Anne who provided fabulous music and a Cream tea. Chair of South Glos Council Councillor Brian Allinson has nomi-

nated the Memory Café as one of his charities for 2019 and we look forward to his visit to the cafe. We meet on the first and third Monday of the month from 10.30 to 12.30 in the Casson Centre, Rodway Road, Patchway. The Café is FREE for everyone tea, coffee and cakes are served, we have entertainment, speakers and trips out for lunch. We also have information and can signpost you to a service that can support your needs. People living with dementia need to be accompanied by a carer, family member or friend as we are unable to give one to one support. So come along and join our community at the Memory Café to socialize and have a good time. We always need more volunteers so if you would like to join the team and help us with whatever time

you have spare come along and see us at The Casson Centre. no experience needed.

The Older persons tea party meets on the last Sunday of each month and it is FREE to anyone over the age 50. Delicious tea and cake. Contact **Tanya : 07867 501227**

Meet every Wednesday from 10:00 am at Blakeney Road Allotments. If you would like to just pop along on a Wednesday and you can enjoy a cup of tea and maybe some sawdust. Contact **Les on 07786 134 883**

Patchway Minibus committee have been running some successful outings throughout 2019 including two which were held during the Patchway Festival fortnight. The first of these was to Slimbridge on a baking hot day when it was lucky that there were numerous seats dotted around the grounds. It was our volunteer driver's birthday so his wife came along for the outing which they, and other participants enjoyed with everyone agreeing that they would come again! The second outing on 1st August was to the Avon Valley Railway in Bitton, enabling us to catch the first steam train journey of the day for the short journey to Oldland, then we went to the Fonthill Garden Centre. We are also running a further outing to Puxton Park near Weston Super Mare which was arranged with families in mind. The minibus committee are grateful to the Quartet Foundation for a grant that has enable us to run these outings at a reasonable cost. Details of outings for remainder of this year are given below. Besides these monthly outings Patchway Minibus also takes people to

various places on a regular basis including St. Chad's Church on Sundays and, as Patchway Minibus is affiliated to the Precious Time Consortium we pick up people once a month and take them to either St. Chad's Church, Patchway Sports and Social Club for Musical Memories and the Memory Café. In the afternoon Patchway Towns Women's Guild members are taken to a craft afternoon at the North Patchway Hall, and Tuesday Fellowship members to St. Chad's on Tuesday afternoons, for a meal with the Wednesday Lunch Club at Patchway Community Centre, whilst on Friday mornings shoppers go fortnightly to Sainsbury's or Morrisons and the Friday Pensioners group go weekly to at the North Patchway Hall. Patchway Towns Women's Guild have made us their charity of the year for the support that we have provided in bringing some members to meetings or to pick up points for outings as well as small groups to other venues. PATCHWAY COMMUNITY CENTRE

Patchway Community Association and the Town Council are pushing ahead with their plans for the expansion of the existing Centre to accommodate the growing population of Charlton Hayes. Over the period of the Patchway festival we ran two large events, both on a Saturday.

The first was the “Twerzels” evening for which we had a pretty packed house, thanks to Patchway Festival Committee for doing all the organising and ticketing for the evening.

The Twerzels were ably supported by our own local band “the Riffroads” and were doing so well

that we extended the 10pm. deadline to 10:30. All in all a great evening with requests that we do it more often, who knows with the new extension freeing up Main Hall this is a possibility for the future.

The second Saturday was the Annual **Garden and Flower Show**, including photographs and all kinds of handicrafts.

Again this was very successful with a good selection of plants of very high quality; some “Highly Commended”.

One of the main organisers of the Patchway Garden and Flower show Joe Hicks turned 90 on Saturday 3rd August so the Festival Committee had him a special cake made.

The Lounge was converted into a Café and was very popular with all

who used it. Our photo shows Mrs B Loveridge and Mrs D Weaver serving tea, coffee and

refreshments. Again maybe we could have a café in the Centre once more after the expansion. We still have a slot in Main Hall on a Friday evening if anyone is thinking of starting a new group which requires lots of room. Contact John Thomas on 01454868549 (leave a message on the answer phone, we will get back to you) or 07789172351 or you can e-mail us: manager@patchwayca.org. Please follow us on Facebook to find out all our local news and events.

BRISTOL BMX CLUB

Controllers down, riders ready, watch the gate...Fed up of Fortnite? Fifa becoming a feeble excuse? Need to get your young person out of the house for a couple of hours? Look no further...your local BMX club is just around the corner and needs your young people! So, stop shaking that games console money tree and come and join Bristol BMX Club for a night of racing. Fresh air, great atmosphere, make new friends and create lots of memories. Come rain or shine we will always race in all weathers. We have a few bikes, helmets and gloves to hire, our cabin has hot and cold snacks and drinks to purchase on club nights and this is a chance to hook up for some good competitive fun on a BMX Bike. Some of our club riders have made it to National Championship level and our very own home grown previous British No 1 Dan Hodge is often around to give coaching tips. What are you waiting for? Come and watch, have a go, talk to the riders and join in! Bristol BMX Club are based on Waterside Drive Patchway. We are an open track for all to enjoy anytime, with exception to when there is either club racing or coaching going on. We race club nights on a Wednesday evening throughout the summer 5.30pm-6.30pm is registration and gates then racing 7pm-8.30ish. Costs are £6 for Non-Members and £4 for Members. Membership is £20 and lasts January-December each year. We also do club racing once a month throughout the winter, usually on a Saturday. We hold coaching sessions throughout the year where fully qualified British cycling coaches can help you, from getting started to improving your skills! We have riders as young as 3yrs to as old as 50+yrs that race for Bristol. The committee and all the volunteers are always more than happy to help with anything you may need them for. For more information, you can follow us on our Facebook page Bristol BMX Club which is updated regularly or email bristolbmxclub@gmail.com

PATCHWAY FESTIVAL HIGHLIGHTS 2019

ALDERMAN SCOTT AWARDS at PATCHWAY COMMUNITY SCHOOL

Each year Patchway Town Council makes awards to two students of Patchway Community School who have made a significant contribution to the life of the School and to the community. These awards are made in memory of Alderman Norman Scott, who was the first Chairman of the Town Council and was also the first Chairman of the Governors of the School.

This year's awards went to Harvey Maggs and Matt Gill.

Harvey was described as having a key role in the sports scene at Patchway

Community College He has played a range of sports over the years and has always been very committed. He has represented the school in Football, Rugby, Basketball and Cricket to name just a few. Part of his sport qualification saw him deliver lessons to students in key stage 3. Matt has positively impacted on every student in the Post 16 centre. He is the Key student officer and has been instrumental in cultivating the tuck shop generating over £2000 since he has led it. Matt monitors stock, co-ordinates tuck runs, and assist with calculating the profits and banking. All funds go back into post 16 social events or facilities. Most recently purchasing a new Bluetooth stereo system and a freezer. Patchway is the only sixth form in the local area that sells Cornetto ice-

cream! Whilst doing all this Matt has also maintained his studies in Psychology, Criminology and History. Given his ability to lead others it is not entirely surprising that he will progress to a degree in policing in September.

Patchway Town Council Mayor Cllr Elaine Martin presented both the students with a cup and a £60.00 book voucher.

YOUTH WORK UPDATE :

In April 2019, Patchway Town Council announced that it would continue to fund Southern Brooks Community Partnerships to deliver youth work sessions to support young people in Patchway. At the same time, Southern Brooks Community Partnerships secured 3-year funding from South Gloucestershire Council (2019 – 2022) to deliver additional youth work sessions in Patchway. We also have funding from the Community Fund until March 2021. Due to these funds, we are now delivering 6 youth work sessions per week across 5 days. We work with young people from years 5-12 through centre based and detached youth work. Each session is targeted at a specific age to ensure all young people feel welcome. Our sessions are planned through consultation with young people and often include cooking, sports, arts & crafts, support around mental health and other related subjects. Ternaya Cummings, Employment, Skills & Youth Development Manager says 'This is an exciting time for youth work in the area. We hope to be able to work with lots of young people over the next few years through our youth work delivery. We would really like input from young people and parents if they have any suggestions around what activities / courses / themed sessions they would like to see us deliver. We would like to thank Patchway Town Council for the continued support for youth work provision in the area'.

In September 2019, Patchway Youth Centre will be re-named 'The Patch' following consultation with young people and the public. We will be holding an open event for young people, parents and residents to come along and find out what we do. Dates will be published on Southern Brooks website and Facebook page nearer the time. If you would like further information about our youth work sessions or have any questions, please contact Ternaya Cummings on 01454 86 85 70

CREATE AGAINST HATE

The future of a happy, well-functioning society relies on people being helpful and nice to each other. Everyone believes that young people should be taught about being kind and understanding. It's instilled in us from before we can even talk. It's sad that even though we all believe these things are important often we are taught to be wary of other people, particularly people we don't know, perhaps from another country or culture. To help break down this sense of uncertainty and fear, there is a ground-breaking project taking place in Patchway. Create Against Hate run workshops in schools which teach young people about understanding difference and diversity. Schools are coming together to make beautiful and heartfelt artwork which will be part of an art trail across Bristol and South Glos. The hope is that this trail of artwork will connect people from different places together and understand each other a bit better. You can help with this project by supporting the children in artist sessions where schools are making art together. For more information about helping with this project contact Caroline or Chris on **01454 868570** or volunteering@southernbrooks.org.uk

HAPPY 20th ANNIVERSARY to FOUR TOWNS AND VALE LINK COMMUNITY TRANSPORT

What a wonderful day was had by all who attended the Four Towns and Vale Link 20th Anniversary celebrations, on Friday 2nd August. Over 70 guests attended including members of the charity, local councillors, local community groups as well as Four

Towns employees both past and present, who all came along to help celebrate 20 years of the charity having been in operation. Four Towns started in 1999 in a small office in St Peters Church, Filton. Volunteer car drivers used their own cars to help transport people to clubs, medical appointments and on shopping trips. They eventually got enough funding to be able to purchase their first ever minibus. Four Towns has flourished ever since now being based in Frampton Cotterell with 28 vehicles now in their current fleet and a work force of over 30 employees including many drivers, PA assistants, management, office staff, volunteers and trustees. Dennis Rogers chair of Four Towns and guest of honour Shirley Holloway opened the celebrations with a speech on their own time spent working within the organisation over the years. To summarise Vale Link came into being in late 1997 when Vale Link was nothing more than an idea that came into the minds of four people. They were successful with their bid and funding became available. This was distributed between Four Transport charities, with Vale Link Community Transport scheme being one of them. This enabled them to hire staff, they were fortunate then to be gifted, a bus by another Community Transport company. Their fleet began to grow from one bus to three. Soon after there were talks to merge. They then eventually amalgamated with Four Towns who were based in Patchway to become Four Towns and Vale Link Community Transport. Shirley then went on to become Chair of the charity for 7 years from 2005-2012 and been a great support to the charity ever since. There was also a chance for guests to learn more on the history of Four Towns with a display featuring many key moments and interesting facts captured throughout the years, as well as learning more about the many great people who have contributed their work within the organisation over time and became part of the history that has helped create what Four Towns is today. Four Towns and Vale Link Community Transport said a very special thank you to Win Williams (the very first ever Co-ordinator of Four Towns) who attended the event. Here's to 20 years of providing accessible transport for people within the local community and to many more. PATCHWAY CONSERVATION GROUP

Get Outdoors with like-minded people in Your Community You can join the Patchway Conservation Group and spend more time outdoors while helping make your community a nicer place for all. Over the years,

the Conservation Group has restored neglected areas of open space and created havens for wildlife and for people by planting trees and hedges, clearing old farm ponds, removing dumped rubbish, installing benches and planting wildflowers. The group always welcomes new members. If you are passionate about green spaces and conserving the environment, or just enjoy getting outside, this is the perfect group for you. Group members help improve Patchway's parks through grass cutting, tree planting, food growing and much more. If you have a particular interest, we can organise activities around this e.g. if you want to save the bees, we can plant flowers that are good for pollinators. While doing this good work in the community you are also socialising with like-minded people who have similar interests. You will make new friends and do some moderate physical activity like digging and weeding, which is good for your health. Another benefit is decreased stress levels. Many of the activities, such as gardening, focus your thoughts on the present and allow you to forget your worries. Please help us make Patchway's green spaces nicer for all, with less rubbish, more greenery and less overgrown areas. The whole community will benefit. For more information about the Conservation Group please contact Sally on 01454 868572 or sallylewis@southernbrooks.org.uk.

ReACH Update

Patchway Festival: A successful day out

The wind may have been a little gusty and the rain threatened to come, but in the end, it was a great day out for ReACH and the very many happy families who turned out. Indeed, it was a total success for the organisers too, who still had two weeks of fun, interest and entertainment to follow before they could put their feet up and relax happy.

For ReACH, we put on a good, professional-looking stand and attracted many visitors from both Patchway and Charlton Hayes. One resident family complained of falling cladding on four families' houses in Eighteen Acre Drive. ReACH will of course follow that up

and report back on progress, hopefully in the next few days.

Other visitors included the Mayor of Patchway, Cllr Elaine Martin and several councillors who know of ReACH through various Patchway Town Council meetings, which ReACH regularly sit and represent Charlton Hayes' residents.

So thanks to everybody who sent their best wishes for the day and thanks to all those visitors who recognised that ReACH is their local residents' association that now has a reputation for **Getting Things Done**.

- 1 red pepper, cut into 16 chunks
- 1 onion, quartered and separated to give 16 pieces

To serve: 4 sweetcorn cobs

Method

1. Soak 4 wooden skewers in water for about 30 minutes.

2. Mix the garlic, lemon juice and olive oil with 1 tsp jerk seasoning (or 2 tsp if you prefer a spicier flavour). Stir in the chicken and set aside while you prepare the vegetables.

3. Thread a piece of pepper onto a skewer, then onion, then chicken, finishing with onion.

4. Try other vegetables like mushrooms and courgettes – or even fruit like mango or pineapple.

5. Cook on the barbecue for 8-10 minutes, turning frequently. Alternatively, cook under a preheated grill.

6. Meanwhile cook the sweetcorn cobs in boiling water, or on the barbecue for 6-8 minutes.

Add flatbreads or boiled rice for an easy meal. Recipe from NHS website Change 4 Life.

Patchway Garden Society would like to thank everyone , organisers, volunteers and people who put exhibits into the show. Behind the scene workers without you all the Flower and Garden Show would not happen. It was a lovely day everything looked wonderful and very colourful. Well done to all the winners . Hopefully next year we will expand with more entries especially in the children's category . This day was made extra special for one of the organisers Joe Hicks pictured below on the right who celebrated his 90th Birthday .

Roger Loveridge won Best in Show 2019 for his Begonia hanging basket (pictured below)

Enhancements to Rodway Road

Patchway Town Council are pleased to announce that 11 columns of light along Rodway Road have been converted from the traditional lamp to LED lighting as a series of improvements are carried out on Rodway Road for the whole of Patchway. This LED lighting will make the area a much more safer place in evenings for shoppers and businesses, with more light coverage across the whole area. There will also be some new benches and planters installed as well to make the area more social.

New Developments at Scott Park

Patchway Town Council working with the Patchway and Charlton Hayes Community Sport's Association are pleased to announce that phase one of the developments at Scott Park, which include a multi-use-games area and English Cricket Board standard twin lane cricket nets, have all been granted planning permission from South Gloucestershire Council. These new developments are the start of new facilities for the people of Patchway and Charlton Hayes.

Grants to Support Local Organisations

Patchway Town Council are delighted to have funded several local organisations under the new grant scheme. These include Patchway Festival, Patchway People and the Four Towns Play Scheme. The council will consider grants from any local organisations that are of benefit to the people of Patchway. Grant Aid forms can be requested from office@patchwaytowncouncil.gov.uk.

Parks & Open Spaces—What We Need To Do

Several local councilors along with the Deputy Town Clerk have carried out a walking tour of Patchway to observe the condition of all of our park's and open spaces. As residents, we want you to feel comfortable in your open spaces, so we will be undertaking the necessary works to improve and clear these spaces for you to use freely over the next year. We would also encourage any residents to get involved by clearing up after themselves when using these spaces, as a sign of care.

Coniston Ward: Cllr Jon Butler, Cllr Ken Dando, Cllr Elaine Martin, Cllr George Pykov, Cllr Isobel Walker.
Election to be held in September to fill the vacant councilor position with the successful candidate named on our website.

Callicroft Ward: Cllr Ted Bathe-Taylor, Cllr Jo Buddharaju, Cllr Patrick Cottrell, Cllr Eric Gordon, Cllr Brian Hopkinson, Cllr Roger Loveridge, Cllr Sam Scott, Cllr Toni Scott, Cllr Sanjay Shambhu.

Cllr Shambhu, Cllr Buddharaju and Cllr Hopkinson represent the Charlton and Cribbs Ward of South Gloucestershire Council. Cllr S. Scott represents the Coniston Ward of South Gloucestershire Council.
